

BreastStrokes

PLEASE HELP FLOAT OUR BOAT

Breast cancer has touched most of us, directly or indirectly. In response, many organizations have joined with others to raise money for research and a cure for breast cancer. Few programs offer support to survivors after treatment.

Meet BreastStrokes – a breast cancer survivor dragon boat team established in 1998. The team is comprised of energetic, motivated survivors and supporters from your community.

BreastStrokes offers hope to many people who are diagnosed with this life-threatening disease. The team is a floating support group that offers fitness and friendship, promoting a healthy life after cancer. For further information about BreastStrokes' history and accomplishments, and to support or join the team, visit the website: www.breaststrokes.org

Team BreastStrokes is a registered charity and non-profit organization with operating costs that range from \$16,000 to \$20,000 per year. Expenses include: regatta fees, insurance, boat and dock maintenance, life jackets, uniforms, paddles, and professional coaching. We fundraise to make participation affordable and accessible to all.

BreastStrokes, For the Love of Fit, and H2O Works Canada and Fairview Mennonite Home, are collaborating to host an exciting fundraiser: **World Wide Aquathon Day** on Saturday Nov 11, 2017 from 1 – 5:30 pm. This amazing event promotes aqua fitness as a healthy activity that is suitable for all ages and abilities. Now in its 5th year, World Wide Aquathon continues to build excitement! This year, more than 100 Countries are hosting, with over 9,000 people participating. World Wide Aquathon will be hosted (for the first time in Canada) at the Fairview Mennonite Home pool in Cambridge.

We need your help! We are seeking prizes for winning fundraisers: highest team sponsorship, and highest individual sponsorship. Best group costume and individual costume will also be rewarded. The fun continues with raffle tables, a photo booth, and refreshments.

All business that contribute a gift or service will be formally acknowledge in our program and social media. Your contribution is eligible for a charitable donation tax receipt. Most importantly, you will be supporting a local charity that is unique in its ability to foster a healthy future among people touched by breast cancer.

With sincere gratitude for your consideration,
